March Monthly HOA Meeting:
Thursday, March 8 @ 7:00 p.m.

B.A. Library, 300 W. Broadway Ave

Meetings are strategy sessions and address new and ongoing issues while planning for impending issues such as an aging infrastructure. All residents are encouraged to attend.

SAFETY FIRST!

Several of our neighbors have experienced home break-ins over the past few months. We plan to have a representative from the Police Department and/or Crime Commission attend one of our upcoming meetings. "Alert Neighbors" is a neighborhood watch program that has become lax and is prioritized to be jump-started in our neighborhood.

If you see someone that "does not belong" or is "loitering" in the neighborhood, call the Non-emergency Police Department 918-259-8400 to report.

CAUTION! *If you believe someone has broken in, and is still in your home DO NOT ENTER. Call 911 immediately.*

BEAUTIFICATION:

Now is the time to apply pre-emergent weed control to your lawn.

SPRING PROJECTS:

The SHHOA has an Architectural Committee to help ensure that fences, out buildings and other home enhancements follow the Covenants for our neighborhood. Please contact architectural@stonewoodhills.net if you have any questions.

COVENANTS are in place to help ensure property value is maintained for all homeowners and our neighborhood continues to be a premier place to live. **See website to review Covenants.** Note especially Page 9 for Amendment re "Out Buildings". Architectural Committee approval is required PRIOR to start of any construction!

Please let us know if you have a comment, suggestion and/or concern that you would like to have mentioned in the Newsletter (newsletter@stonewoodhills.net). Your input and suggestions are ALWAYS welcome!
