- A. Overhead pole lines for the supply of electric service, telephone, communication and cable television service may only be located along the East, North & South property lines of the addition. Street light poles or standards may be served by underground cable, and elsewhere throughout the Addition, all supply lines shall be located underground in the easement ways reserved for general utilities and streets shown on the plat. Service pedestals and transformers as sources of supply at secondary voltages, may be also located in such easement ways.
- B. Except to houses and structures on lots as described in subparagraph (A) above, which may be served from overhead electric service lines, telephone lines and cable television cables, underground service cables to all houses which may be located on all lots in said Addition may be run from the nearest service pedestal or transformer to the point of usage determined by the location and construction of such house as may be located upon each said lot; provided that upon the installation of such a service cable to a particular house, the supplier of electric service, telephone, communication or cable television service shall thereafter be deemed to have a definite, permanent, effective and exclusive right-of-way easement on each lot covering a five foot strip extending 2.5 feet on each side of such service cable extending from the service pedestal or transformer to the service entrance on said house.
- C. The supplier of electric, telephone, communication and cable television service, through its proper agents and employees, shall at all times have the right of access to all such easement ways shown on the plat or provided for in this dedication for the purposes of installing, maintaining, removing, or replacing any portion of said underground electric, telephone, communication or cable television so installed by it.
- D. The owner of each lot shall be responsible for the protection of the underground electric, telephone, communication and cable television facilities located on such owner's property and shall prevent the alteration of grade or any construction activity which may interfere with said electric, telephone, communication or cable television facilities. Such utility company will be responsible for ordinary maintenance of underground electric, telephone, communication or cable television facilities, but the owner will pay for the damage or relocation of such facilities caused or necessitated by acts of the owner, its agents or contractors.
- E. The foregoing covenants concerning underground electric, telephone, communication and cable television facilities shall be enforceable by the supplier of electric, telephone, communication or cable television service, and the owner of each lot agrees to be bound thereby.

3. **Underground Gas Service.** Underground service lines to all homes may be run from the nearest service connection to the point of usage determined by the location and construction of the home; provided, that upon the installation of such a service line to a home, the supplier of gas service shall thereafter be deemed to have a definite, permanent, effective and exclusive right-of-way easement on said lot, covering a five foot (5') strip extending 2.5 feet on each side of such service line, extending from the service connection to the service entrance on the home. All gas meters shall be physically located at or near the service entrance to the home.

- A. The supplier of gas service, through its proper agents and employees, shall at all times have right of access to all such easement ways shown on the Plat, or provided for in this dedication, for the purpose of installing, maintaining, removing or replacing any portion of said underground gas facilities so installed by it.
- B. The Owner of each Lot shall be responsible for the protection of the underground gas facilities located on its Lot and shall prevent the alteration of grade or any construction activity which may interfere with said gas facilities. The supplier of gas services will be responsible for ordinary maintenance of underground gas facilities, but such Owner will pay for damage or relocation of such facilities caused by acts of such Owner or its agents or contractors.
- C. The foregoing covenants concerning underground gas facilities shall be enforceable by the supplier of gas service, and the Owner of each Lot agrees to be bound hereby.

4. **Water, Sanitary Sewer and Storm Sewer.** The Owners of each Lot shall be responsible for the protection of the public water mains and sanitary/storm sewer facilities under their lot and shall prevent the alteration of grade in excess of three feet from the original contours or any construction activity which may interfere with said facilities. Said alteration of grade restrictions shall be limited to easement areas.

5. **Water.** The City of Broken Arrow ("the City") shall be responsible for ordinary maintenance of its public sanitary sewer facilities or public water mains, but the owner of each lot will pay for damage or relocation of such facilities caused or necessitated by acts of the owner or his agents or contractors. The City shall have the right of access with its equipment to all easement ways shown on the Plat for installing, maintaining, removing or replacing any portion of its underground water and sewer facilities. The foregoing covenants concerning water and sewer facilities shall be enforceable by the City and the owner of each lot agrees to be bound hereby.

6. **Landscape and Paving Repair.** The Owner of each lot shall be responsible for the repair and replacement of any landscaping and paving located within the utility easements in the event it is necessary to repair any underground water, sanitary sewer, storm drainage, electric, natural gas, telephone, or cable television service. No lot owner shall plant any trees or shrubbery in dedicated utility easements or rights-of-way which would potentially endanger, threaten, or harm any utilities located within said easements or rights-of-way. If it is determined that any trees or shrubbery located within said easements or rights-of-way are damaging or endangering utilities in said easements or rights-of-way, the adversely affected utility company shall have the right to remove said trees or shrubbery upon five (5) days notice thereof at the lot owner's expense, or within such time the lot owner may remove same.

Property Owner's Association

A. **Inclusion in Property Owners Association.** As a part of the development of the Addition, the Developer thereof has created or will create Stone Wood Hills Property Owners, Inc., an Oklahoma not-for-profit corporation (the "Association"). The main objective of the Association is the maintenance of the landscaped entrances, and all other landscaped buffers and islands. The Developer may permit other adjacent property owners, e.g., owners of lots in future additions of Stone Wood Hills or owners of other tracts within the Stone Wood Hills P.U.D., etc., to become members of the Association and/or to enjoy any portion of the adjacent or nearby Park Areas the may be created.

B. **Binding Effect.** All covenants of the Association made under and pursuant to its Certificate of Incorporation and by-laws shall be binding upon the lots contained in the Addition and the Owners thereof. Membership in the Association shall consist of all Owners of lots in the Addition and all Owners of such additional property designated by the Developer.

C. **Assessments.** Annual Assessments may be made by the Association on a per lot basis, all as more fully set forth in the Association's governing documents and in the Covenants, Conditions and Restrictions for Stone Wood Hills.

D. **Other Rights.** Developer shall have the right and power to execute all documents and do all other acts and things affecting the Addition which Developer determines are necessary or desirable in connection with the rights of Developer under this Declaration, including the execution and filing of various Covenants, Conditions and Restrictions for the Addition. Final documents on the Association will be filed with the final plat and include the maintenance agreement and other specific rights and requirements for association members.

E. **Reserve Areas.** Areas designated on the Plat as Reserve Areas are to be attractively landscaped with berms and assorted plant materials by the developer and turned over to the Association for maintenance. In the event the Association fails to maintain these areas in a proper and safe manner, the City of Broken Arrow will have the right to maintain these areas and bill each member of the Association for that cost. Should payment by any member not occur, the City of Broken Arrow and/or the Association may place a lien on the delinquent member's personal property within this platted area. Reserve Areas in street right-of-ways are to remain open to the public and the City of Broken Arrow. The Association of all Reserve Areas remain the responsibility of the Association.

- On Cul-de-sac and Pie Shaped Lots Minimum lot frontage measured at the building line. Lot shall have at least 30 ft. of street frontage measured at the property line.

Tract F shall be developed in its entirety as either a land use allowed by right or special exception, in the R-5 District or a land use, allowed by right or special exception, in the R-4 District or a land use allowed by right or special exception, in the R-3 District, not as a mixture. The type of use will be determined at the time of platting with this plat. Tract F shall be governed by the use and development regulations of the R-3 district. Except for the modification listed above.

Access onto Arterial and Collector Streets: No residential unit shall have direct access onto any arterial or collector street. Access to Lynn Lane/193rd East Avenue shall be limited to no more than three points. Access to Albany/61st Street shall be limited to no more than four points on the south side of Albany and two points on the north side of Albany Street. Access points on the north side of Albany shall either align with access points on the south side of Albany Street or be offset by more than 125 feet, centerline to centerline. If tracts B and D are used for anything other than single-family homes with minimum lot sizes of 7,000 sq. ft., they shall have no access to Tract C.

Fencing: The side and rear yards of residential uses adjacent to Lynn Lane and Albany Street shall have an architecturally attractive opaque fence of at least 6 feet in height. Some form of masonry material shall be used on the fence at least every 40 feet. An opaque fence of at least 6 feet in height shall be provided along all collector streets and collector streets shall be installed by the developer. Fencing plans shall be presented to and approved by the Planning Commission at the same time landscape plans are submitted for review. Standards for fencing, including structural materials utilized, etc. will be outlined in the covenants upon submittal of the first plat for the Stonewood Hills PUD. The fencing on Lynn Lane and Albany Street shall be placed out of the 20-foot wide landscape and sidewalk area. Any open space area, such as lakes, parks, etc. that abuts an arterial or collector street does not have to have any fencing around it due to the desire to keep these areas visible from the street.

Landscape: Landscaping shall be provided in accordance with Article VII, Section 19 of the Zoning Ordinance. In addition, trees shall be planted along the collector streets as the tracts become developed that front and/or border the collector. The number of trees required along the collector streets shall be the same as that required along an arterial street.

It is important to note that all landscaping, screening and fencing will be detailed at the time of site plan approval and/or platting. All landscaping, screening and fencing will be designed based on predetermined guidelines as set out in the covenants.

OPEN SPACE:

Open space will be provided at Stone wood Hills in accordance with Article VII, 3.4.F of the Broken Arrow Zoning Ordinance. It is anticipated that the open space at Stone wood Hills will be allocated as follows:

- | | |
|---------------------------------------|-------------|
| Total Required Open Space Area | ±11.7 acres |
| - 20 feet Landscape/Sidewalk Easement | ±2.2 acres |
| - Tract A | ±1.5 acres |
| - Tract H | ±0.0 acres |

In the case of Tracts A and H, the open space area will allow for the steep side slope portions of these tracts to be maintained in their natural state. Also provided will be a 20-foot wide landscape and sidewalk area located parallel to Albany Street and Lynn Lane. In addition, there are several existing lakes on site, some of which will be improved and maintained. Additional lakes will likely be added as well. Total area dedicated to these water features and open space is to be determined as individual tracts become developed and developed. If the open space area for a tract is less than the required area for this particular tract, the open space requirement may be made up in another area of the PUD, but under no circumstances will the overall PUD open space be less than ±11.7 acres. Should a tract not meet its open space requirement, then it will be determined at the time of final platting by the Broken Arrow Planning Commission and City Council, if translocating the balance of the required open space to a different area of the PUD will be permitted.

Architectural Review Committee.

There will be the formation of an Architectural Review Committee. This committee will consist of members appointed by the owners from their staff, the development team, and residents of Stone Wood Hills until such time that membership is transferred directly to the Stone Wood Hills residents. They will be responsible for the review and approval of all site and architectural plans as well as the selection of architectural building materials. They will also approve all landscape and drainage plans before being submitted to the City of Broken Arrow for approval. This Architectural review Committee is one of the major steps to insure the project will be developed as originally intended. The building elevations for homes, offices and businesses will be designed to express individuality within a development area while simultaneously maintaining the overall character of the community. Careful attention to all aspects of the building designs will be studied to create the individuality desired. Some of the building elements to be studied include roofs, walls, openings, foundations, chimney materials, patios and decks. Even though building appearance will vary throughout the development, continuity will be provided through the utilization of additional architectural and nonarchitectural elements such as lighting, signage, paving and landscape plant material.

SECTION II RESTRICTIVE COVENANTS

A. All lots in the addition shall be residential lots and shall be used for residential purposes only. No structure shall be erected, altered, placed or permitted to remain on residential lot other than one Single-Family dwelling. The owner or his designated agent reserves the right to review and approve builder's plans prior to commencing construction of any Single-Family dwelling. Reserves "A", "B", and "C" shall be limited to use for open space, landscaping, recreation, and parking, and are reserved for subsequent conveyance to the Homeowner's Association to be formed pursuant to section III hereof.

B. No building shall be located nearer to the front lot line, nor nearer to the side street line than 25 feet or the building lines shown on the recorded plat; and as allowed on PUD 127.

C. No business, trade or activity may be carried on upon any residential lot. No noxious or offensive activity shall be carried on upon any residential lot, nor shall any nuisance be done thereon which may be or may become an annoyance or nuisance to the neighborhood.

D. No dwelling shall be erected or placed on any residential lot which has a floor area of less than 1,500 square feet, measured over exterior masonry walls, excluding garages and open porches. No structures shall be erected or placed on any residential lot which has an exterior wall area constructed of less than 25% masonry or masonry veneer. Doors, windows and gable areas shall be excluded in said 25% computation. Masonry material to be used on construction of mail boxes.

E. Roofing shall be self-sealing composition roofing shingles. Provided, however, that should roofing not be reasonably available, alternative roofing of comparable quality simulating weathered wood color may be permitted by the architectural committee.

F. No fences shall be installed on the front portion of any residential lot in the addition between the front line and the building setback line and fences on any residential lot shall not be more than six (6) feet in height. Screen fencing is required on all lots which adjoin Tacoma Street and must be approved by the architectural committee, as shown on the approved landscape plan. Any decorative fencing around reserve pond areas must be approved.

G. No trailer, tent, shack, garage, barn or other outbuildings shall be placed or erected on any residential lot, either temporarily or permanently, nor shall any structure of a temporary nature or character be used as a residence. No modular, manufactured or mobile homes shall be permitted in this addition.

H. No inoperative vehicles of any kind shall be stored on any lot; and, no trailer, motor home, boat trailer, or travel trailer shall be located, parked, or stored on any street or on any lot, except wholly within a garage or appropriately screened from view from any street, provided nothing herein shall prohibit the parking of customary passenger vehicles on the surfaced driveway.

I. No animals, including fowls, shall be raised, bred or kept on any residential lot at any time, except that not more than two (2) each of any common household pet (such are not used, bred or maintained for commercial purpose) may be kept. All household pets must be kept fenced or leashed.

J. The Developers of "STONE WOOD HILLS" reserve the right in their sole discretion and without joinder of any owner at any time so long as it is the owner of any lot or any part thereof to amend, revise or abolish any one or more of the above covenants and restrictions by instrument duly executed and acknowledged by them as developers and filed in the county clerk's office in the court house of Tulsa County, Oklahoma.

SECTION III HOMEOWNERS' ASSOCIATION

A. FORMATION OF HOMEOWNERS' ASSOCIATION

The owner has formed or shall cause to be formed the "STONE WOOD HILLS" Homeowners' Association, Inc. (hereafter referred to as the "Association"), a nonprofit corporate entity to be established in accordance with the statutes of the State of Oklahoma, and to be formed for the general purposes of maintaining the common areas and enhancing the value, desirability and attractiveness of "STONE WOOD HILLS".

B. MEMBERSHIP

Every person or entity who is a record owner of the fee interest of a lot shall be a member of the Association, and membership shall be appurtenant to and inseparable from the ownership of the lot. The acceptance as of the date of incorporation, or as of the date of recording of the deed, whichever occurs last.

C. COVENANT FOR ASSESSMENTS

The owner and each subsequent owner of a lot, by acceptance of a deed thereof, is deemed to covenant and agree to pay to the Association, assessments to be established by the board of directors in accordance with a declaration to be executed and recorded by the owner prior to the conveyance of a lot within "STONE WOOD HILLS". An assessment shall be a lien on the lot against which it is made, but the lien shall be subordinate to the lien of any first mortgage.

D. CERTAIN RIGHTS OF THE ASSOCIATION

Without limitation of such other powers and rights as the Association may have, the Association shall be deemed a beneficiary, to the same extent as a lot owner, of the various covenants set forth within this document, and shall have the same right to enforce the covenants to the same extent as the lot owner.

SECTION IV. TERM, AMENDMENT AND ENFORCEMENT

A. The covenants and restrictions set forth herein shall be covenants and restrictions which shall run with the land and which shall be binding upon and enforceable by the owner, his successors, grantees and assigns by the beneficiaries of the covenants set forth with the respect to such covenants only, and by the City of Broken Arrow, Oklahoma, until January 1, 2017, at which time such covenants and restrictions shall be automatically extended for successive periods of ten (10) years, unless by a majority vote of the then owners of the land within "STONE WOOD HILLS" it is agreed, with the approval of the City of Broken Arrow, Oklahoma, to terminate such covenants and restrictions in whole or part; provided, however, such covenants and restrictions may be amended or modified at any time by a majority vote of the then owners of the land within "STONE WOOD HILLS" with the approval of the City of Broken Arrow, Oklahoma.

B. In the event the undersigned or any of its successors, grantees, or assigns, or any person claiming Successors, grantees, or assigns, or any person claiming under them, shall violate or breach any of the covenants and restrictions set forth herein or imposed hereby, any person or persons owning an interest within "STONE WOOD HILLS", the beneficiaries of the covenants set forth with respect to such covenants only, or the City of Broken Arrow, Oklahoma, shall have the right to maintain an action at law or in equity against the person or persons attempting to violate any of such covenants or restrictions to prevent violation or to recover damages for the violation thereof. Invalidity of the covenants or restrictions set forth herein by judgment or other action shall not affect the validity of any other covenant or restriction which shall remain in full force and effect.
